Michael J. Tougas - whose book *The Finest Hours* was adapted into a major motion picture by Walt Disney in 2016 – joins us with a special narrated slide presentation of another riveting story of survival at sea! “When their boat sinks 12 miles out in the Gulf of Mexico, three friends must survive 28 hours in open water—facing eight-foot waves, jellyfish stings, hypothermia, and circling sharks. *In Deep Water* chronicles one of the most improbable rescues in Coast Guard history—and the extraordinary resilience of the men who lived to tell it.”
